Transmittal of Documents

1. I am forwarding herewith six sets each of two groups of papers which [REDACTED] would like you to hold for him so that he will have them for use in the joint discussions.
2. Am also forwarding a check for George since I understand he did not leave a Power of Attorney with his bank here.
3. We have at last received the first of your memos and it was good to see that familiar signature in that very special ink.
